DEPARTMENT - UNION RELATIONSHIP

A. Continuity of Service to the Public and Mutual Pledge of Accord

The Department of Water and Power is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of the Department's customers. The obligation to maintain these public services is imposed both upon the Department and the Union during the term of this MOU and the certification of the Union as the exclusive representative of the employees in this representation unit.

To continue the viability of the Department as the provider of choice for energy, water, and related services, the parties mutually agree to work through a joint Labor/Management process. The goal of this process is to ensure Department competitiveness and maintain employment security.

Inherent in the relationship between the Department and its employees is the obligation of the Department to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the Department in the performance of their public service obligation.

It is the purpose of this Memorandum to promote and ensure harmonious relations, cooperation and understanding between the Department and the employees represented by the Union and to establish and maintain proper standards of wages, hours and other terms and conditions of employment.

B. No Strike - No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the Department agrees that there shall be no lockout or the equivalent of members of the Union, and the Union and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or action by Union members occur, the Union shall immediately instruct its members to return to work. If they do not report to work immediately upon instructions of the Union, they shall be deemed to have forfeited their jobs without recourse of any kind against the Department or the Union. The curtailing of

operations by the Department in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this Paragraph B shall not detract in any way from the restrictions imposed by law on strikes and other types of work stoppages by public employees. The Union agrees that should the aforementioned legal restrictions on strikes and work stoppages be removed, the provisions of this Article shall remain in effect. The Department agrees that the enactment of more stringent laws regarding Union activities shall likewise not affect the terms of this Paragraph B.

ARTICLE 2
RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the City of Los Angeles and applicable State law, Local 18 of the International Brotherhood of Electrical Workers, was certified on July 28, 2003, by the Employee Relations Board of the City of Los Angeles as the majority representative of employees in the Department of Water and Power Supervisory Professional Unit (hereinafter referred to as "Unit") as found to be appropriate by said Employee Relations Board. Department Management hereby recognizes Local 18, as the exclusive representative in said Unit.

ARTICLE 3
LANGUAGE

Throughout this Memorandum of Understanding, hereinafter referred to as MOU, the terms "management" or "employer" shall be understood to refer to the General Manager of the Department of Water and Power (Department). The term "Board" shall be understood to refer to the Board of Water and Power Commissioners, and the term "Union" shall be understood to refer to Local 18 of the International Brotherhood of Electrical Workers, AFL-CIO.

The term "parties" shall be understood to refer jointly to the City of Los Angeles and the Union.

The term "employee" shall be understood to refer to an employee in this Unit as established and/or modified by the Los Angeles City Employee Relations Board.

The term "annual rate" shall apply to all positions in this Unit except those which are subject to an hourly or daily-rate of pay and are so identified on the respective Duties Description Records.

The use of plural nouns shall be understood to include the singular and vice versa, where appropriate.

ARTICLE 4
NON-DISCRIMINATION

The parties mutually recognize and agree to protect those employee rights granted in the Employee Relations Ordinance of the City of Los Angeles and applicable State and Federal laws, including the rights of all employees covered herein to join and participate in the activities of the Union.

The parties mutually recognize and agree that the provisions of this MOU shall be applied equally to all employees in the Unit without discrimination because of disability, race, color, sex, age, religious creed, union activity, national origin, ancestry, political belief or sexual orientation.

ARTICLE 5
GRIEVANCE PROCEDURE

Definition

A grievance is defined as any dispute concerning the interpretation or application of this written MOU and/or Departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

General Provisions

- a. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, an employee may elect to pursue the matter under either the grievance procedure herein

provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.

- b. No grievant shall lose the right to process a grievance because of Department-imposed limitations in scheduling meetings.
- c. Grievants have the responsibility to discuss their grievances informally with their immediate/appropriate supervisor. The supervisor is obligated, upon request of a grievant, to discuss the grievance at a mutually satisfactory time. Grievants may be represented by a representative of their choice in the informal discussion with their immediate supervisor, and in all formal review levels.
- d. The time limits hereinafter provided between steps of the grievance procedure may be extended only by mutual agreement. In addition, by mutual agreement, any level of review may be waived from this grievance procedure. Agreements under this section shall be made between the Labor Relations Office and the employee's representative or the employee if unrepresented.

All written grievances and appeals must be either received in the Labor Relations Office or postmarked by the U. S. Postal Service within time limits set forth in this Grievance Procedure.

- e. Management shall notify the Union of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and a full-time Union Staff Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If a full-time Union Staff Representative elects to attend said grievance meeting, the representative shall inform the Labor Relations Office of that fact. The Union is to be notified of the resolution of all formal grievances.
- f. It is understood and agreed that Section 3502 of the California Government Code grants to public employees the right to represent themselves individually in their employment activities which includes grievances.

Nothing in this MOU shall be construed as to abridge, limit or restrict that right.

- g. Employees who file a grievance and elect representation by the Union shall be permitted to be present and testify at any step of the grievance procedure if their attendance is requested by either the Union or Management.
- h. Expedited arbitration and/or a bench decision may be used by mutual agreement.

If such written notice is filed, the parties shall meet for the purpose of selecting an arbitrator from a list of seven (7) arbitrators furnished by the Employee Relations Board, within seven (7) calendar days following receipt of said list.

Arbitration of a grievance hereunder shall be limited to the issues raised in the formal grievance as originally filed by the Union to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood that all other expenses including, but not limited to, fees for witnesses, copies of transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual incurring same. The determination of an arbitrator resulting from any arbitration of a grievance hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU and shall be binding on the parties.

Individual Procedure

The Grievance Procedure for employees covered by this MOU who are not represented by the Union in the filing of their grievance shall be as follows:

Initial Step - Informal Discussion

The grievant shall discuss the grievance with the employee's immediate supervisor on an informal basis in an effort to resolve the grievance. It is the responsibility of the grievant to indicate that the subject of the discussion is a grievance. Said

grievance shall be considered waived if not so presented to the immediate supervisor within fourteen (14) calendar days from the date of the occurrence upon which the grievance is based or fourteen (14) calendar days following the date when the grievant should have reasonably been aware of the occurrence of the grievance.

The immediate supervisor shall respond within fourteen (14) calendar days following the meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process the grievance to the first level of review within the time limits prescribed in Step 1.

Step 1 - First Level of Review

If the grievance is not settled at the initial step, the grievant may serve written notice of the grievance on a form to be provided by the Department upon the Labor Relations Office within fourteen (14) calendar days of receipt of the grievance response or the expiration of time limits if no response is received at the initial step. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, the person designated by Management to review the grievance at Step 1 shall meet with the grievant, and a written decision shall be rendered to the grievant within twenty-one (21) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process the grievance to the second level of review, within the time limits prescribed in Step 2.

Step 2 - Second Level of Review

If the grievance is not settled at Step 1, the grievant may file an appeal with the Labor Relations Office on the form provided by the Department within fourteen (14) calendar days of receipt of the Step 1 grievance response or the expiration of time limits if no response is received. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, the person designated by Management to review the grievance at Step 2 shall meet with the grievant within twenty-one (21) calendar days of the date of service. A written decision shall be rendered to the grievant within twenty-eight (28) calendar days of the date of service. Failure of Management to respond within such time limit shall

entitle the grievant to process the grievance to the third level of review, within the time limits prescribed in Step 3.

Step 3 - General Manager's Review (Third Level of Review)

If the grievance is not settled at Step 2, then the grievant may file an appeal with the Labor Relations Office on the form provided by the Department within fourteen (14) calendar days following receipt of the grievance response or expiration of time limits if no response is received at Step 2. Upon request, the time limits will be automatically extended to twenty-one (21) calendar days. Failure of the grievant to serve such written notice or make such request shall constitute a waiver of the grievance.

If such notice is served, the grievance shall be heard by the General Manager or a designated representative within twenty-one (21) calendar days from the date of such notice. Upon request, the time limits will automatically be extended to thirty-five (35) calendar days. The General Manager or the designated representative will afford the party(s) an opportunity to present oral and/or written arguments on the merits of the grievance. The General Manager or the designated representative shall render to the grievant, a written decision within twenty-one (21) calendar days from the date said arguments were submitted. Upon request, the time limits will automatically be extended to thirty-five (35) calendar days.

Step 4 - Board of Water and Power Commissioners' Review

In the event a grievant is not satisfied with the written decision of the General Manager or the designated representative, then said grievant may seek review by the Board of Water and Power Commissioners. The grievant must serve upon the Labor Relations Office a written notice of appeal on the form provided by the Department within seven (7) calendar days following receipt of the grievance decision in Step 3. Failure of the grievant to file such appeal shall constitute a waiver of the grievance.

If such notice is served, the Board of Water and Power Commissioners shall afford both parties an opportunity to present oral and/or written arguments on the issues of the grievance that have not been satisfactorily resolved. It is the intent of the Board of Water and Power Commissioners to render a decision within thirty-five (35) calendar days from the day said arguments were concluded.

The foregoing Article is intended to replace Section 8.2 of the Working Rules for all employees covered by this MOU.

ARTICLE 6
MANAGEMENT RIGHTS

Responsibility for Management of the Department and direction of its work force is vested in the Board of Water and Power Commissioners and the General Manager, whose powers and duties are specified by law. In order to fulfill this responsibility, it is the exclusive right of Department Management to determine its mission, to set standards of service to be offered to the public and to exercise control and discretion over the Department's organization, staffing, assignment of work and workload, scheduling requirements and operations. It is also the exclusive right of Department Management to take disciplinary action for proper cause, to relieve Department employees from duty because of lack of work or other legitimate reasons, to determine the methods, means and personnel by which the Department's operations are to be conducted and to take all necessary action to maintain uninterrupted service to its customers and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees or their representatives from consulting or raising grievances about the practical consequences these decisions have had on wages, hours and other terms and conditions of employment.

ARTICLE 7
UNION RIGHTS

The Union is the exclusive representative of all employees as set forth in Article 2 in matters concerning wages, hours, or other working conditions.

The Union shall be notified and shall be permitted to participate in meetings between the Department and any employee or group of employees when changes in the terms and conditions of this MOU are being considered.

In the event an employee elects self-representation in a grievance, the Union shall be notified of the grievance and shall be privy to written material submitted as a part of the grievance. The Union shall be permitted to be present at all

meetings between the Department and the grievant(s) to be sure that the terms and conditions of this MOU are complied with.

ARTICLE 8
UNION ACTIVITY

8.1 - Access of Union Staff Representatives

Full-time Union Staff representatives shall have access to work locations during working hours for the purpose of assisting employees covered under this MOU.

Such access shall be authorized for the purpose of consulting with Union shop stewards, investigating grievances or complaints, observing working conditions, and posting bulletins. Said representative shall receive access authorization from the designated Management representative at the location involved. If working conditions make it impractical to permit access, the designated Management representative shall inform the Union representative(s) when that access can be authorized.

The Union shall provide the Labor Relations Office of the Department with a list of authorized staff representatives, which list shall be kept current by the Union.

The Labor Relations Office shall provide the Union with a list of designated Management representatives' telephone numbers.

The Union may use Department facilities on prior approval, subject to the provisions of this Article, for the purpose of holding meetings to the extent that such facilities are available, and to the extent that such use of the facility will not interfere with normal Departmental operations. Participating employees will attend said meetings on their own time.

Approval for use of the facility may be granted by mutual agreement between a staff representative of the Union and the individual who has control of the facility. If an agreement is not reached, the Union representative may appeal to the appropriate Assistant General Manager. Article 5 (Grievance Procedure) shall not be applicable to this paragraph of the MOU.

It is understood that if the use of a facility normally requires a fee for rental or special setup, security, and/or cleanup service, the Union will provide or assume the cost of such service(s) or facility.

8.2 - Shop Stewards

The Union shall have the right to appoint shop steward(s) at each work location. If the Union desires to appoint additional shop stewards, it shall notify the Department of the name(s) of the shop steward(s) and the location(s) where the shop steward(s) will serve. The locations of such additional shop stewards shall require mutual agreement between the parties.

8.2(1)

Shop stewards shall request of their supervisor and be given reasonable time during work hours to investigate and process specified grievances and to attend grievance meetings;

8.2(2)

Shop stewards shall request of their supervisor and be given reasonable time during work hours to investigate other specified complaints arising out of the interpretation or application of this MOU in order to more effectively resolve problems that could become grievances;

8.2(3)

The shop steward shall be permitted to be present at all counseling sessions which could result in disciplinary action when requested by an employee. If a shop steward's presence is requested by the employee, the meeting will not be conducted until the shop steward is present;

8.2(4)

The shop steward shall be permitted to be present at any meeting in which any disciplinary action is to be taken, unless the employee requests that the shop steward not be present. If a shop steward's presence is requested by the employee, the meeting will not be conducted until the shop steward is present;

8.2(5)

In speaking to employees on the job, the shop steward, on entering a work location, shall inform the supervisor of the steward's desire to talk to an employee or group of employees concerning a specified complaint or grievance. Permission to leave the job will be granted promptly to the

employee(s) involved unless such absence would cause an undue interruption of work. When permission is requested in order to process a grievance, denial of permission to speak to employees, or perform any of the other duties of the shop steward shall automatically constitute an extension of the limits of the Grievance Procedure, equal to the amount of the delay. If the employee(s) cannot be made available, the shop steward shall be immediately informed when the employee(s) will be made available.

8.3 - Leaves of Absence

It is recognized that the granting of leaves of absence are subject to Civil Service Rules and policies. It is therefore agreed that to the extent possible, the Department shall grant and recommend for Civil Service approval, leaves of absence for no more than five (5) employees in this Unit. It is understood that these employees should be hired by the recognized employee organization certified to represent the employees in this Unit on a full-time basis. Such leaves of absence may be for periods of up to one year, but in no event shall the Department recommend for any one employee an accumulation of more than three (3) years continuous leaves of absence. In order to be eligible, an employee must have completed three (3) years of continuous service with the Department.

Employees, upon returning from such a leave of absence, shall be entitled to return to their former classification and salary range in accordance with Civil Service Rules and policies.

Employees on such a leave of absence shall be permitted to maintain membership in an existing health care plan, and/or a dental plan, if any, on condition that said employee pay the full cost of said plan(s).

8.4 - Paid Time Off for Negotiating Committee Members

The negotiations of successor MOUs are recognized as a part of the employee's rights under prevailing statutes and ordinances. For this reason, the Department shall provide necessary time off during regular working hours without loss of pay or other benefits to employees who are designated by the Union to be part of a negotiating committee. The number of employees granted such time off shall be based on a ratio of one for each one hundred (100) employees in the representation unit, provided that the number shall not be less than two (2) nor more than seven (7).

Subject to the operating needs of the Business Group, an employee on the negotiating committee may be assigned to a five-and-two-day shift during negotiations or may receive a work-hour change to attend individual bargaining sessions provided agreement is made to such change without notice or penalty.

8.5 - Dues Deduction

The Department hereby agrees to deduct the dues and/or other fees set forth below only on behalf of the exclusive representative designated in Article 2.

Upon receipt of a dues deduction authorization agreement from an employee, the Department agrees to deduct from the wages of an employee within the Unit, the dues in the amount set forth in the schedule on file with the Department. Such dues deductions shall be subject to the provisions of the authorization agreement which has been agreed to by the parties. The Department agrees to continue its policy of submitting to the Union a monthly listing of dues-paying employees. The Department further agrees to remit the amounts so deducted directly to the Union.

Notwithstanding any provisions of this MOU that may conflict:

Employees' requests to cancel their dues withholding authorization agreement shall be processed by the Department to be effective on the ending of the first complete pay period following April 1 of each calendar year.

The Union agrees to indemnify and hold harmless the Department and the City against all claims, including costs of suits and reasonable attorneys' fees and/or other forms of liability arising from the implementation of the provisions of this Section (8.5).

8.6 - Agency Shop

The following Agency Shop provisions shall apply to all permanent employees of this Unit.

8.6 (A) - Dues/Fees

8.6(A) (1) (a)

Permanent employees* in this Unit (who are not on leave of absence) shall, as a condition of continued employment, become members of the

certified representative of this Unit, or pay the Union a service fee in an amount not to exceed periodic dues and general assessments of the Union. Such amounts shall be determined by the Union and implemented by the Department in the first payroll period which starts 30 days after written notice of the new amount is received by the Department.

(*Permanent employees are defined as those who have completed six continuous months of City service from their original date of appointment and who are members of the Department of Water and Power Employees' Retirement, Disability and Death Benefit Insurance Plan.)

8.6(A) (1) (b)

For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the Department's meet-and-confer process.

8.6(A) (2)

The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by the Department.

8.6(A) (3)

The provisions of this Article are inapplicable to those Department employees who are permanently assigned to work locations in Nevada and who are residents of the State of Nevada.

8.6(B) - Exceptions

8.6(B) (1) - Management or Confidential

Such employees shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c) (3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

8.6(C) - Management Responsibilities

8.6(C) (1)

The Department shall cause the amount of the dues or service fee to be deducted monthly from the payroll checks of each employee in this Unit as specified by the Union under the terms contained herein. "Dues", as distinct from "service fee", shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.

8.6(C) (1) (a)

Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Department within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.

8.6(C) (2)

The Department shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this representation unit within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.

8.6(C) (3)

Management will provide the Union with the name, home address, and employee number of each permanent employee.

8.6(C) (4)

The Department shall notify the organization within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the representation unit or subject to the provisions of this Article.

8.6(D) (2)

The Union certifies to the Department that it has adopted, implemented and will maintain procedures in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 106 S. Ct. 1066 (1986), and any other applicable legal authority.

8.6(D) (3)

The Union agrees to indemnify and hold harmless the Department for any loss or damage arising from the operation of this Article. It is also agreed that neither any employee nor the Union shall have any claim against the Department for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Department within thirty (30) calendar days after the date such deductions were or should have been made.

8.6(E) - Rescission

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this Article is overturned by the employees in this representation unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions

8.7 - Bulletin Boards

8.7(1)

The Department agrees to provide bulletin boards, or to assign adequate space on existing bulletin boards, to be used by the Union for the purpose of posting:

- a. Notices of Union meetings;
- b. Notices of Union elections and their results;

ARTICLE 9
OVERTIME

9.1(a) - Definition of Overtime

Overtime is hereby defined as:

9.1(a) (1)

The time worked outside of the normal work schedule of the employee;

9.1(a) (2)

The time worked on holidays or holiday equivalents outside of the normal work schedule of the employee;

9.1(a) (3)

The time worked continuously within the employee's normal workday when eight (8) hours of overtime have been worked continuously immediately preceding the commencement of the normal workday, provided that one (1) hour or less off duty immediately preceding the commencement of the normal workday and time off duty for meal periods as provided in Article 12 and Article 18.2 shall not be considered as interruptions of continuous work; however, such off duty time shall not be reported or considered as time worked unless authorized elsewhere in this MOU; and

9.1(a) (4)

The time worked within that portion of the employee's normal workday when a change of normal shift allows less than eight (8) consecutive hours off duty between normal shifts as provided in Article 13(d). This overtime shall terminate when eight (8) hours have elapsed since the end of the preceding normal workday.

9.1(a) (5)

Scheduled overtime is any overtime other than a holdover or a call out.

9.1(b) - Authorization, Recording and Reporting of Overtime

9.1(b) (1)

Any overtime work shall be approved in accordance with such procedures as shall be prescribed by the General Manager; but in no event shall employees be deprived of pay for overtime work actually performed under direction of their supervisor. The authorization of any overtime shall be predicated entirely upon the operating needs of the Department, and the procedure prescribed by the General Manager shall be designed to eliminate excessive or unnecessary use of overtime.

9.1(b) (2)

Overtime worked shall be reported and recorded to the closest one-tenth (1/10) hour.

9.1(c) - Definition of Day

With respect to this Article 9.1, a day shall be deemed to be from 12:01 A.M. to 12:00 midnight.

A normal shift shall be considered, for timekeeping and pay purposes, to fall within the day in which it commences. Except that shifts that begin at 10:00 P.M. or later shall be deemed to fall within the day in which the shift terminates for timekeeping and pay purposes. (Also in Article 13.)

9.1(d) - Overtime for Hourly and Daily-Rate Temporary
Construction Positions

When the Board so provides on the Duties Description Record, employees to whom an hourly or daily-rate is applicable shall be compensated for authorized overtime in accordance with provisions as set forth on such Duties Description Record.

The parties expressly intend that nothing in this MOU be interpreted or construed as authorizing hourly or daily-rate employees to accumulate overtime.

9.1(e) - Overtime for Annual Rated Employees

Except as otherwise expressly provided for, employees to whom an annual rate is applicable shall be compensated for authorized overtime in accordance with the following provisions:

9.1(e) (1)

Employees in this bargaining unit shall be paid for each hour of overtime worked on Sundays (or Sunday equivalents) and holidays (or holiday equivalents), for each hour worked continuously after eight (8) hours of overtime have been worked continuously, and for each hour worked continuously after sixteen (16) hours have been worked continuously, at the double-time rate which shall be computed by dividing the appropriate annual rate by 1044; and shall be paid for each hour of all other overtime work at the time and one-half rate which shall be computed by dividing the appropriate annual rate by 1392.

9.1(e) (2)

Double-time shall be the maximum rate applied to any hour of overtime worked.

9.1(e) (3)

Except as provided in the first paragraph of Article 9.1(e) (6) below, continuous-operation, shift and cumulative-hour employees in this bargaining unit who are required to work within the hours of their normal workdays on holidays or holiday equivalents as part of their normal work schedule shall, in addition to the pay provided in Article 15(c) (2) (bb), be paid for each such hour so worked at the time and one-half

rate to a maximum of eight (8) hours, and for each hour worked on such days outside of the hours of their normal workday shall be paid at the double-time rate.

9.1(e) (4)

Continuous-operation and shift employees in this bargaining unit who are required to work three eight-hour scheduled shifts, at the straight time rate of pay, within a forty-hour period for the convenience of the Department shall in addition to the applicable rate of pay, be credited for an additional one-half hour of pay for each hour so worked

during the third scheduled shift, based on the straight time rate.

9.1(e) (5)

Employees in this Unit may elect, at the time overtime work is performed, to be compensated in accumulated overtime credits for such work. An employee so electing shall be compensated for each hour of authorized overtime worked at the time and one-half rate. An employee who does not so elect shall automatically be compensated in money for authorized overtime.

Any employee working authorized overtime hours to which the double-time rate applies shall be paid at the double-time rate unless that employee elects, at the time the work is performed, to accumulate overtime credits, in which case overtime credits shall be accrued at the rate of one and one-half hours for each hour worked.

Employees in this Unit who accrue accumulated overtime shall be entitled to accrue no more than 240 hours of overtime. All overtime approved and worked in excess of 240 accrued hours shall be paid in cash. It is the understanding of the Parties that such accrued hours include both hours accrued under the provisions of the MOU and under the provisions of the Fair Labor Standards Act.

Employees in this Unit who, at the time of this Amendment, have accrued in excess of 240 hours shall promptly be paid for all such excess hours following approval of this Amendment.

Unused accumulated overtime credits, whether earned pursuant hereto or previously earned under the Working Rules may, with supervisory approval, be compensated in cash or by time off with pay only as provided in sub-parts (a) through (d) below:

(a)

For personal reasons, in any amount, with the approval of supervision.

(b)

- (1) During the time that employees are absent on account of illness or injury, the employees may be paid the difference between their net salary and disability benefit to which the employees may be entitled under the Water and Power Employees' Retirement, Disability and Death Benefit Plan, or under Workers' Compensation Laws, and there shall be charged against their overtime credit the number of hours calculated to the nearest one-tenth (1/10) of an hour, required to account for the payment of such difference;
- (2) For recuperation or rest;
- (3) For any purpose which the Board may approve upon recommendation of the General Manager in each individual case;

(c)

Immediately prior to retirement, employees may elect to be compensated in paid time off or cash or any combination thereof for all unused accrued overtime hours.

(d)

At the time of their separation from the Department for any reason, e.g., death, transfer, resignation, retirement, or termination, employees in this Unit shall be paid promptly for all unused accumulated overtime hours at the hourly rate of their then-current salary.

In cases of separation due to death, the payment will be paid to the heirs.

(e)

Management shall not unreasonably withhold permission in granting requests for the use of accumulated overtime, and should deny or modify such requests only when undue hardship to the Department can be shown.

9.1(e) (6)

When an employee receives insufficient notice of a schedule change and is paid a penalty payment in addition to straight-time pay for the first eight (8) hours worked of such change, and when such employee is then held over at the end of that first eight (8) hour shift, the employee shall be paid for such holdover in accordance with Paragraph 9.1(e) (1).

9.1(f)

When employees have worked sixteen (16) hours or more, exclusive of travel time, during the period of twenty-four (24) consecutive hours immediately prior to the regular shift, the supervisor shall determine, subject to the provisions of Paragraph 9.1(b) (1), whether or not the employees shall work during the regularly scheduled hours of their next succeeding normal workday, unless eight (8) consecutive hours off duty shall have elapsed during the prior twenty-four (24) consecutive hours; however, where eight (8) consecutive hours off duty shall not have so elapsed, such employees shall not be required to work during such normal workday unless their services are required in connection with emergency work of the Department.

9.1(g)

When employees, subject to Paragraph 9.1(f) above, are not required to work during all or part of the hours of their next succeeding normal workday, the employees shall be paid for such regularly scheduled hours at the straight-time rate.

When eight (8) consecutive hours off duty shall not have elapsed as provided in Paragraph 9.1(f), and the operating needs of the Department require such employees to return to duty or continue on duty at the start of their regular shift, such regular shift hours not otherwise defined as overtime as found in Paragraph 9.1(a), such employees shall be paid at a premium rate, equal to the straight-time hourly

rate plus an amount equal to one-half the straight-time hourly rate, for such hours of their regular shift which when added together with time off duty immediately prior to the start of their regular shift will equal eight (8) hours. At the conclusion of such 8.0 hour period, the employees will be paid at the straight-time hourly rate for the remainder of their regular shift. Should there be no time off duty immediately prior to the start of their regular shift, the premium rate will continue throughout the 8.0 hour regular shift.

9.2 - Scheduled Overtime Cancellation

When scheduled overtime, other than a continuation of the regular workday, is cancelled less than eight (8) hours prior to the time the scheduled overtime is to start, the employee shall receive a penalty payment equivalent to two (2) hours at the applicable overtime rate.

9.3 - Call Out

9.3(a)

A call out is a communication to an employee who is off duty directing the employee to report for overtime work.

Employees in this bargaining unit who are called out shall receive a minimum of two (2) hours, paid at the double-time rate or accumulated at the time-and-one-half (1-1/2) rate in accordance with Paragraph 9.1(e)(6).

For those employees who are called out and directed to immediately report for overtime work, paid time is to start from the time the call is received. Additional calls received within the two-hour minimum period shall not establish an additional minimum period of double time. Hours worked after the two-hour minimum shall continue to be paid at the double-time rate until the start of the employee's regularly scheduled hours. Should the two-hour minimum overlap into an employee's regularly scheduled work hours, the straight-time pay for the regularly scheduled hours shall commence after the close of the two-hour minimum period.

A communication received by an employee who is off duty, to report for overtime work twenty-four (24) hours or more from

the time the communication is received, shall not be considered a "Call Out".

9.3(b)

The provisions of Article 9.3(a) shall not apply to cumulative-hour employees.

9.4 - Disturbance Calls

Supervisors required to conduct Department business initiated or authorized by higher supervision, at any time outside their normal working hours and who are not required to report to a work location shall be compensated one (1) hour at the appropriate overtime rate for each instance for such work performed. More than one instance in the same period for which compensation is provided shall not be considered as separate instances. Compensation provided under this provision shall not be in addition to compensation provided under any call out provision. Disturbance calls received between 12 midnight and 6 A.M. shall be paid at the double-time rate.

Employees who receive disturbance calls and elect to be compensated in accumulated time off, shall do so in accordance with Article 9.1(e) (5).

ARTICLE 10

Except as otherwise expressly provided by the Board, all employees shall be allowed to be absent from duty with pay under the circumstances and to the extent indicated in the following:

10(a) (1)

While on vacation as provided in Article 15.1 hereof.

10(a) (2)

For the purpose of voting at the polls or casting an absentee ballot in any election referred to in this paragraph, to the extent that there is not sufficient time outside of Department working hours for such purposes, provided that such allowance when necessary, shall not be for more than:

10(a) (2) (aa)

Two (2) hours for any election held in the State of California.

10(a)(2)(bb)

The time allowed by the statutes of the State of Nevada for election held in that state; provided that this section shall not be construed as prohibiting the allowing of additional time off without pay when necessary for such purposes; and provided further that no absences from duty, with or without pay, shall be allowed therefore when voting time outside of Department working hours is sufficient for such purposes.

10(a)(3)

For the amount of time required to file for or take examinations given by the Personnel Department of the City of Los Angeles for classes to which positions in the Department of Water and Power are allocated and examinations for certificates or licenses required as prerequisites to take such Civil Service examinations and for the time required incidental to the filing and hearing of protests in connection with all such examinations, provided proper arrangements are made with the immediate supervisor, and provided further that any continuous absence from work for this purpose of more than eight (8) hours, or cumulatively more than eighteen (18) hours in any calendar year, may be allowed only with the approval of the General Manager.

10(a)(4)

For the amount of time required to make application for, or take examinations for certificates or licenses which the Department requires of employees subsequent to appointment, and to renew all required certificates or licenses, provided proper arrangements are made with the immediate supervisor.

10(a)(5)

For the amount of time required for interviews and examinations in connection with prospective service in the

armed forces of the United States; provided proper arrangements are made with the immediate supervisor.

10(b) (1) - Additional Absence with Pay

In addition to the holidays provided for in Article 15 and the absences with pay hereinabove in this Article 10 provided for, each employee to whom an annual rate is applicable, who shall have completed the period of continuous service which is required for membership in the Water and Power Employees' Retirement, Disability and Death Benefit Plan, may, with the approval of the appropriate supervisor, be allowed to be absent from duty with pay to a cumulative maximum of forty (40) hours, reported through prescribed procedure, in any calendar year under the following circumstances:

10(b) (1) (aa)

For personal reasons, provided that adequate arrangements can be made to take care of the employee's duties without undue interference with the normal routine of work, an employee shall be allowed to be absent if the appropriate supervisor is notified three (3) calendar days prior to the absence.

Where an unforeseeable event occurs, the three-day notice provision may be waived.

Time off under the terms of this Article shall be with the approval of the immediate supervisor and shall not be denied for any reason other than operating needs.

An employee may take time off under this Article in any increment they request. However, when such a request would result in the employee working less than two (2) hours of their shift, the employee must request the entire day off.

10(b) (1) (bb)

Employees shall be paid for up to forty (40) hours of unused time off under the provisions of Article 10(b) (2).

Employees shall be paid at their current rate for any unused personal time remaining at the end of the last payroll period prior to the end of each calendar year. Payment for such unused time shall be made in an expeditious manner.

10(b) (2) - Jury Duty

10(b) (2) (aa)

Employees to whom an annual rate is applicable, who are required to attend, or to attend and serve, as juror in any state where they are assigned by the Department shall be allowed to be absent from duty for the period of time necessary for such attendance or for such attendance and service. Each such absence shall be with pay less an amount equal to the per diem to which the employee is entitled by law for such attendance or for such attendance and service. The General Manager shall prescribe the procedures for reporting and verifying such attendance, service and per diem.

10(b) (2) (bb)

Employees to whom an annual rate is applicable, who are required to appear for examination to determine their qualifications for jury duty, shall be allowed to be absent from duty with pay for the period of time necessary for such examination provided such examination cannot be taken during non-working hours or on a normal day off.

10(c) - Absences with Pay Applicable to Employees Paid
by the Day or Hour

Employees paid on the basis of daily or hourly rates shall be allowed no absences with pay other than the Christmas holiday provided in Article 15 and the absences with pay provided in Subsection (a) of this section.

10(d) - Absences Without Pay

Any employee shall be allowed to be absent from duty without pay:

10(d) (1)

During the course of any disability.

10(d)(2)

During the course of any military leave, as provided in Section 1023 of the Charter of the City of Los Angeles and the Military and Veterans Code of the State of California.

10(d)(3)

To take advantage of any educational benefits of the State or Federal Government offered as a veteran of the Armed Forces.

10(d)(4)

For special assignment to other governmental agencies and for other urgent or substantial personal reasons, provided that in the judgment of the General Manager, adequate arrangements can be made to take care of the employee's duties without undue interference with the normal routine of work.

10(d)(5)

For a period of up to four (4) consecutive months following either the birth of a child or the placement in the employee's home of an adopted child. This leave shall supplement pregnancy-related disability leave, if any. However, a family leave shall terminate no later than six (6) months after the birth of a child or the placement in the home of an adopted child. Upon return from such leave, the employee shall be returned to the same classification and pay step occupied prior to taking the leave. This subsection shall be limited to natural parents, adoptive parents or legal guardians and shall apply only to annual rated full-time employees.

10(e) - Disability Benefits

10(f) - Authorized Absences

No employees shall be absent from duty during their regular working hours except when properly authorized to do so, in accordance with this MOU, the Rules and Regulations of this Department and of the Board of Civil Service Commissioners.

10(g) - Unauthorized Absences

Absence from duty in violation of this MOU, the Rules and Regulations of this Department or of the Board of Civil Service Commissioners shall be sufficient cause for disciplinary action, up to and including discharge.

ARTICLE 11
REST PERIODS

Each employee, other than those employees whose lunch period is credited as time worked, shall be granted a minimum of fifteen (15) minutes rest period in each four-hour period, provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor. The restriction on the first or last hour shall not apply to field crews when waived by the immediate supervisor. Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

The taking of rest periods by continuous-operation or shift employees is declared to be a privilege and not a right.

ARTICLE 12

12(a)

A minimum of thirty (30) minutes and a maximum of one hour shall be scheduled each normal workday as a lunch period, which shall commence not earlier than three (3) hours nor later than five (5) hours after the scheduled time for reporting. The lunch period

shall not be credited as time worked, provided that continuous-operation and shift employees who are scheduled to perform eight (8) consecutive hours shall be permitted to eat one meal for which a maximum of thirty (30) minutes shall be allowed during working hours without any deduction being made therefor.

12(b)

It is recognized that for those employees whose lunch period is not credited as time worked pursuant to Paragraph 12(a) above but who remain on the job site, certain restrictions on the free time activities of such employees may be necessary. Such restrictions would relate to, but not be limited by, considerations for public safety, job safety and the maintenance of a favorable public image for the Department.

ARTICLE 13

13(b) - Regular Working Day

Except as otherwise expressly provided herein, or as set forth in resolutions creating specific positions, a minimum of eight (8) hours of actual attendance on duty shall constitute a day's work and a minimum of forty (40) hours shall constitute a week's work for every full-time employee. 13(c) - Normal Workday for Non-Shift Employees

13(c) (1)

Except as provided herein, a normal workday for full-time employees, other than continuous-operation, shift or cumulative-hour employees, shall consist of eight (8) hours of work, scheduled to be performed within a period of not more than nine (9) consecutive hours, commencing with the scheduled time of reporting for duty.

13(c) (2)

A workday other than that provided above shall be applicable to employees in daily-rate positions, when said employees are performing work on more than one (1) shift, and the Board expressly fixes a different workday for any specified shift, by a provision incorporated on the Duties Description Record for such positions.

Employees in positions to which a daily-rate is applicable shall not be deemed to be shift employees for the purposes of any other provisions of the Position Evaluation and Compensation Plan.

13(d) - Normal Workday for Continuous-Operation and Shift Employees

When the Department must provide for an operation, service or other activity on Saturdays, Sundays or holidays, or for sixteen (16) consecutive hours or more in a period of twenty-four (24) consecutive hours, employees assigned to perform such operation, service or other activity during their schedule of normal workdays shall be known as:

- (1) continuous-operation employees, and as

13(e) (2) - Work Periods

A work period shall consist of either: 1) five (5) consecutive normal workdays with the following two days off; or 2) any combination of scheduled normal workdays and days off which during a maximum period of eight (8) weeks, averages the number of normal workdays and days off per week upon which wages are based, provided that in any work period provided for herein, a day off shall mean at least twenty-four (24) consecutive hours off duty.

13(f) - Issuance of Work Schedules

13(f) (1)

Employees shall be furnished a written notice of their normal work schedule and such schedule shall indicate the distribution of each employee's working time by the days of the week and the hours of the day. In addition, such schedule shall be posted at the normal working locations.

13(f) (3)

A work schedule shall not be changed with respect to working hours unless employees affected are notified thereof at least four (4) hours before the end of their last normal workday preceding such change or the employee agrees to the change without such notice, provided, however, that

employees assigned to emergency and relief shifts shall not be entitled to such notice. Violation of this provision shall invoke a penalty payment equivalent to four (4) hours at the straight-time rate in addition to any pay received for the first eight (8) hours worked of such change.

13(f)(4)

A work schedule shall not be changed with respect to scheduled days of work unless employees affected are notified at least forty (40) consecutive hours before the time for their reporting for work under the changed schedule or the employee agrees to the change without such notice. Violation of this provision shall invoke a penalty payment equivalent to four (4) hours at the straight-time rate in addition to any pay received for the first eight (8) hours worked of such change.

13(f)(5)

A relief shift employee whose shift is changed and who reports to work and is not required by the Department to work that shift, shall receive a minimum of eight (8) hours pay at the straight-time rate.

13(f)(6)

No work schedule shall be changed unless it is predicated entirely upon the operating needs of the Department, and shall not be for the purpose of avoiding the payment for overtime work.

13(g) - Reporting for Duty

13(g)(1)

Except in case of disability or unforeseen emergency, employees to whom an annual rate is applicable shall report

for duty on each of their scheduled working days unless permission not to report has been previously approved by their immediate supervisor. In case of disability or unforeseen emergency, employees to whom an annual rate is applicable shall make every reasonable effort to notify their immediate supervisor as early as possible of their inability to report for duty.

13(g) (2)

Except in case of disability or unforeseen emergency, employees to whom a daily or an hourly rate is applicable shall report for duty on each of their scheduled working days unless permission not to report has been previously approved by their immediate supervisor or unless previously instructed by their immediate supervisor not to so report, provided, however, that the absence occasioned by such instruction, together with normal days off, shall not extend for more than six (6) calendar days. In case of disability or unforeseen emergency, employees to whom a daily or an hourly rate is applicable shall make every reasonable effort to notify their immediate supervisor as early as possible of their inability to report for duty.

13(h) - Attendance Before Court or Public Agency

Time spent by employees in 1) attending a proceeding before a court or public agency at the direction of the Department, or 2) attending such a proceeding as a witness under subpoena ordering such attendance when the attendance arises out of and is related to their employment by the Department, shall be counted as time worked.

13(i) - Daylight Saving Time

Each year Daylight Saving Time shall begin at 1:00 A.M. on the first Sunday of April and shall end at 2:00 A.M. on the last Sunday of October; except as modified by legislative action or presidential proclamation.

13(i) (1)

With the beginning of Daylight Saving Time, all clocks, at 1:00 A.M. shall be set ahead one hour to 2:00 A.M. Employees at work on a regularly scheduled basis when the clock is changed, shall have their time reported as a normal

eight-hour shift. Shift differentials, if applicable, shall be paid as provided for in Article 17.

13(i)(2)

With the ending of Daylight Saving Time, all clocks, at 2:00 A.M. shall be set back one hour to 1:00 A.M. Employees at work on a regularly scheduled basis when the clock is changed, shall work an actual nine-hour shift. Their time shall be reported as a normal eight-hour shift plus one hour of overtime and the overtime premium shall be as provided for in Article 9. Shift differentials, if applicable, shall be as provided for in Article 17.

13(i)(3)

Beginning and ending clock times of regularly assigned work schedules shall not be affected by clock change.

13(i)(4)

Time for employees working prior to or beyond their regularly assigned work schedule shall be reported as overtime as provided for in Article 9.

13(i)(5)

13(j) - Shift Swaps

Management shall give favorable considerations to temporary shift swaps mutually agreed on by employees where such swap will not result in overtime and does not affect the operating efficiency of the facility or quality of service to the public.

13(k) - Normal Shift and Calendar Day

A normal shift shall be considered, for timekeeping and pay purposes, to fall within the day in which it commences. Except that shifts that begin at 10:00 P.M. or later shall be deemed to fall within the day in which the shift terminates for timekeeping and pay purposes.

13(l) - Alternate Work Schedules

Nothing in this Article shall preclude Management and the Union from entering into written agreements establishing alternate work schedules.

ARTICLE 14
REPORTING LOCATIONS AND TRAVEL TIME

14(a) - Permanent Reporting Locations

14(a) (1)

A permanent reporting location shall mean an office, shop, station, or other facility established by the Department for continuing use and which is designated as the place at which an employee reports regularly for work. The Department shall assign employees to permanent reporting locations to the extent that such assignments can be made without impairing efficient Department administration and operation. The Department may require employees, as a part of their regular work schedule, to report for work at different permanent locations. The availability of economical and convenient transportation for employees shall be considered in the selection of reporting locations.

14(a) (2)

Employees may be assigned to report for work at a different reporting location only if they are notified of such change at least forty (40) hours prior to reporting for work at the different location, or if the employee agrees to the change without such notice, provided that employees may be assigned to emergency maintenance or repair work without such notice or agreement on their part.

14(a) (3)

14 (b) (3)

An employee having a permanent reporting location, shall not be assigned to report for work at a temporary headquarters if such headquarters is more than twelve (12) airline miles from such permanent location or if such assignment is for less than two (2) weeks.

14 (c) - Travel Time

The following provisions shall be applied to employees to whom an annual rate is applicable.

14 (c) (1)

In the event eligible employees elect to cover their eligible dependents as provided for in these programs, the unused portion of said sum will be applied toward such dependent coverage under the same plan.

The parties hereto agree to the following formula for arriving at the Department's maximum contribution, based on the present level of benefits, to these health insurance programs for each eligible employee in this Unit:

Effective July 1, of each contract year:

For each eligible employee in the Unit, the Department will contribute an amount calculated by adding to the \$823.76 monthly subsidy an amount not to exceed the dollar value of the Kaiser Family Plan rate increases or rate decreases during the term of this MOU.

In order to obtain employee input regarding health plan benefits, and to stabilize health insurance costs at or near their present levels, the Department will meet with Local 18 prior to negotiating new agreements with health insurance carriers. In conformance with DWP Board Resolution No. 985 of June 29, 1972, as amended, any increases in cost due to negotiated improvements in benefits shall be borne solely by the employees.

The parties acknowledge that rapidly escalating health care costs are a mutual concern. Containing the escalation of these costs is essential to both parties. Therefore, the parties agree to develop health care proposals that achieve control over and limit escalating health care costs which may include financial participation by both parties.

An employee must be a member of the Water and Power Employees' Retirement, Disability and Death Benefit Insurance Plan to be eligible to receive the Department's dental plan contribution.

CONTRACTING OUT

The parties agree to the following terms and conditions relative to the contracting out of bargaining unit work:

- 1) As an alternative to contracting out, the DWP shall use at least ten percent (10%) overtime to meet maintenance and business needs.
- 2) Notwithstanding any provisions of this MOU to the contrary, the provisions of this Appendix are subject only to advisory arbitration with the exception of grievances raised under Article 35, Job Security, of this MOU.
- 3) In lieu of the meet-and-confer process specified by the Employee Relations Ordinance, the parties agree to meet and discuss, in accordance with the procedure in paragraph 4, all contracts awarded by the Board of Water and Power Commissioners and multiple contracts let for the same service in the same division which exceed a cumulative total of \$100,000 in a 12-month period, except those listed below:
 - a. Contracts for expertise or contracts for services involving proprietary equipment.
 - b. Contracts for rental equipment which includes operators.
 - c. Contracts required because of bona fide emergency circumstances.
- 4) The parties agree that the following expedited procedure shall replace the dispute resolution procedures of the Employee Relations Ordinance to resolve only those disputes arising out of the discussions occurring as a result of paragraph (3) above.
 - a. The Department will notify the Union in a timely manner of all applicable proposed contracts.
 - b. The Union may request to meet and discuss such contracts within five (5) working days of receipt of the contract. Failure of the Union to request a meeting within five (5) working days shall constitute a waiver of the Union's right to continue this process.
 - c. Meeting(s), if requested, will be held within five (5) calendar days of notification by the Union of a desire to meet and discuss the contracts.

- d. Should the parties not agree during their meet-and-discuss session(s), the Union may request expedited arbitration at the conclusion of the five (5) calendar day period. Failure of the Union to request arbitration within the five (5) calendar day period shall constitute a waiver of the Union's right to continue this process. The parties will attempt to establish a mutually agreeable process for selecting arbitrators. Absent an agreement on such a process, arbitrators will be selected in accordance with the Employee Relations Ordinance Rules 11.03 and 11.04. If the arbitrator selected is not able to serve or cannot meet the time limits in 4(e) of the Agreement, a new arbitrator shall be selected by repeating the steps in Rules 11.03 and 11.04.
 - e. The hearing and issuance of an award by the arbitrator shall be concluded within thirty (30) calendar days from the request for arbitration.
 - f. The arbitrator's advisory decision and recommendation shall be transmitted to the Board of Water and Power Commissioners simultaneously with the contract proposed for adoption.
 - g. The time limits in this process may be extended only by mutual written agreement.
 - h. This arbitration process shall be informal. Court reporters shall not be used; the rules of evidence shall be informal; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; and post hearing briefs will not be submitted. The parties shall each determine whether they wish to produce witnesses and/or documentary evidence.
 - i. The arbitration fees shall be shared equally by the Union and Management.
- 5) Disputes over the practical consequences of contracting out, other than those disputes occurring under paragraphs 3 and 4 above, shall be resolved through the grievance process starting at Step III (Business Unit level) in accordance with the provisions in Article 5 of the MOU.

APPENDIX C

PARKING FEES AND SUBSIDIES

The parties agree that the following terms and conditions shall be applicable to employees who report to an AQMD qualifying location.

- 1) Employees paying a parking fee who report to an AQMD location as their permanent reporting location shall receive a \$25 per month parking (transportation) subsidy.
- 2) Rotating shift employees are excluded from this agreement.
- 3) Facility parking administrators shall set local rules for parking.
- 4) Department Management shall set the rates for the DWP Vanpools.
- 5) Any employee who drives his/her personal vehicle and occasionally parks at the JFB or other central locations shall be charged \$5 per day to park, subject to applicable parking regulations. The rate will be \$4 at non-central locations. Such employees will have an in-and-out privilege for any said paid parking day.
- 6) Employees who pay monthly parking fees as members of a DWP vanpool or carpool will not be charged a daily parking fee when they drive their personal vehicle to work to accommodate scheduled overtime, unless this overtime condition exceeds five (5) days per month after which No. 5 applies.
- 7) A \$50 subsidy will be provided to any monthly transit rider who shows evidence upon demand of a monthly transit pass and who provides an affidavit to the John Ferraro Building parking coordinator of such transit use in commuting to work. Employees who normally commute by bicycle and who provide an affidavit of their daily bicycle riding and certification of this riding from their supervisor, will receive this subsidy also.

- 8) At AQMD qualifying locations where adequate on-site parking is available for employees, DWP management may take appropriate action to require employees to park in DWP facilities when there are complaints from residents and neighbors about employees parking in their neighborhoods.

The parties agree that the attached chart correctly states the current parking fees and subsidies.

	JFB Scramble Other Central Locations	JFB Assign Space	Non- Central Locations	Subsidy
Parking Fee	\$50	\$85	\$40	\$25
Carpool	\$30	N/A	\$20	\$25 per person
DWP Vanpools	\$50	N/A	\$40	\$25 per rider
Take-Home Vehicles	\$50	N/A	\$40	\$25
Employees on Mileage & Per Diem	\$25	\$85	\$25	\$25
Employees on Mileage Only	\$50	\$85	\$40	\$25

NOTE: This proposal includes only employees who start between 5:00 A.M. and 2:00 P.M. and report to an AQMD qualifying location.

APPENDIX D

PART-TIME EMPLOYEE PROGRAM

The parties agree that the following terms and conditions shall be applicable to employees assigned to the Part-Time Employee Program.

1. Eligibility:

For regular, full-time, non-supervisory employees who have been employed at the Department of Water and Power (DWP) for at least the past two (2) years. Approval to work part-time under this pilot program is at the sole discretion of Department Management. Supervisory employees are defined as employees whose Duties Description Record (DDR) requires that they supervise.

2. Justification:

The part-time program is designed to meet employee family dependence, medical or educational needs.

3. DDR and Classification:

Part-time employees will remain on their existing DDR and classification, but will be identified as (P.T.) for pay and benefit entitlements. Form No. 2346 will initiate part-time status.

4. Time Limitations:

Approval of an employee's request for part-time employment is based on a full six (6) month period starting on the beginning of the pay period prior to January 1 or July 1. Requests for approval or extensions for part-time work must be submitted by December 1, or June 1 for the subsequent six (6) month period.

5. Approvals:

All requests for part-time employment and requests for extensions must be submitted in writing to the immediate supervisor for Division head approval. A denial of the initial request or request for extension cannot be used as a basis for a grievance. Management will, however,

provide those employees whose requests have been denied a written response within ten (10) calendar days of the date required for submittal.

6. Hours of Work:

Part-time employees shall be scheduled for the day shift unless an alternate shift is approved by Management. Work schedules shall be fixed by Management and shall consist of at least four (4) hours per day worked and at least twenty (20) hours per week. Employees shall not work more than nine (9) hours per day. No work shall be performed on Saturdays, Sundays or holidays. Requests for changes in work schedule should be submitted thirty (30) calendar days in advance although exceptions may be considered for emergencies.

7. Overtime:

No overtime is permitted. Use of accumulated overtime is also not permitted while on this program.

8. Absence from Duty [10(b)(1)]:

All absence from duty with pay will be reduced by fifty percent (50%) of the time allowed*. For purposes of this calculation, the yearly entitlement (January to December) of 10(b)(1) shall be divided into six (6) month increments of twenty (20) hours each. For example, an employee starting in January on the part-time program will be entitled to ten (10) hours for the six (6) month period. Upon returning to a full-time position in July, the employee will receive an additional twenty (20) hours of 10(b)(1) entitlement plus any time carried over from the ten (10) hours allotted during the part-time period.

9. Holidays:

Holidays and holiday allowances falling on a scheduled work day are paid at fifty (percent (50%) of the full-time regular employee entitlement.

10. Vacations:

Part-time employees shall accrue vacation credits prorated on the basis of the number of hours scheduled to work in relationship to the hours accrued for full-time employment.

11. Health Plans:

Maximum DWP Health/Dental subsidies for part-time employees are calculated at fifty percent (50%) of a regular full-time employee. Maximum DWP health plan subsidy is based on the amount of the current Kaiser family plan rate; the maximum dental plan subsidy is the rate for "employee only" coverage.

12. Sick Days and Disability:

Sick day accrual and disability benefit payments shall be reduced by fifty percent (50%) . For purposes of this calculation, the yearly entitlement (January to December) of sick time shall be divided into six (6) month increments, i.e., twenty (20) hours for a full-time position per six (6) months and ten (10) hours for a part-time position per six (6) months. Employees receiving reduced disability benefits shall revert to full-time status on the first day of the pay period following the 30th calendar day on the Disability Plan*.

13. Retirement and Death Benefit:

Retirement service credit and employee contributions shall be reduced by fifty percent (50%). Death benefit and family death benefit provisions shall remain unchanged.

14. Jury Service:

Jury service to be paid per work schedule less fee.

15. Association Dues:

Agency fees shall be based on full-time employee salary and will not change when employee becomes part-time.

16. Military Leave:

Military leave shall be paid as per work schedule for thirty (30) days.

17. Bid:

Part-time employees may bid on other positions but must remain on part-time status until completion of the six (6) month period. Acceptance of a bid position must meet the operating needs of the Division.

18. Reassignment:

Part-time employees cannot be temporarily reassigned.

19. Travel:

Travel shall be discouraged but not prohibited. Travel and meal allowances will remain the same.

20. Tools:

Uniform and tool allowances will remain the same.

21. Call Out:

Part-time employees are prohibited from being called out.

*Should Management authorize participation in this program prior to January 1, 1993, computation of 10(b)(1) time and sick days shall be based on fifty percent (50%) of the balance of unused hours for these benefits.

APPENDIX E

JOINT LABOR/MANAGEMENT COMMITTEES

Local 18 and DWP management agree to the establishment of Joint Labor/Management Committees to address issues of mutual interest.

The Committees shall have equal numbers appointed by the Local 18 and DWP management.

All recommendations must include a majority vote; however, it is intended that the Committees work toward consensus.

The Charter for these Joint Labor/Management Committees will contain a commitment to work jointly to resolve problems to the mutual advantage of both parties.

These Committees are not intended to subordinate in any way the collective bargaining rights and obligations of either party, nor the established rights of management.

The DWP General Manager and the Local 18 Business Manager shall be ex-officio members of all Committees as well as the joint recipients of all Committee recommendations.

It is agreed that the following list comprises the initial subjects being addressed by these committees, and future subjects will be established by mutual consent:

- a. Service Reliability, including considering standards for average minutes of interruption and other such standards currently before the California Public Utilities Commission (CPUC).
- b. Worker Safety, including an equal role for Local 18 in determining safety standards in the restructured utility environment.
- c. In-Basis Generation, including mutual review of any generating needs analysis and staffing.
- d. Substation Area Consolidation, including mutual review of reliability analysis and staffing.
- e. Maintenance Guarantees, including developing standards for all aspects of utility maintenance.

- f. Customer Service Satisfaction, including the issues of alternate work schedules, lead workers, and schedule changes at the Customer Call Center.
- g. Review of priority for staffing of positions and the use of personal services contracts.
