37.9 - IBEW Sponsored 401(a) Plan

During the term of this MOU, in accordance with established practice, the LADWP shall seek approval of the Board of Water and Power Commissioners and the Board of Administration of the Water and Power Employees' Retirement Plan to approve and agree that the IBEW will establish a 401(a) plan on behalf of IBEW-represented employees who are employed by the LADWP and who are members of the WPERP Tier 2. The following conditions shall apply.

- 1) LADWP will contribute \$150 per month for each IBEW-represented employee who is enrolled in WPERP Tier 2 as a full member. Full membership begins after six months of full-time employment at the LADWP. LADWP shall make no contribution on behalf of employees who are enrolled in WPERP Tier 1.
- 2) The agreement would require that all members of the covered class, Tier 2 Employees, receive a monthly contribution from the employer to the 401(a) plan. Each employee will be auto-enrolled in an account that will receive the employer contribution. The contribution will be deposited into a default investment option if the employee does not choose one of the investment options available in the 401(a) plan. The employee is not required to choose an investment option.

IBEW will determine the investment options that are available for the employees to choose in the 401(a) plan, and LADWP will have no responsibility for those available investment options or the investments chosen by the employees

- 3) The contribution per employee shall not increase during the MOU term.
- 4) All contributions made by the LADWP will sunset upon expiration of the MOU (in September 2026). Continuation of LADWP's contributions will require affirmative, mutual renegotiation in a successor MOU.
- 5) The plan will be a bona fide retirement plan, administered by a third party, that includes standard provisions, including but not limited to penalties for early withdrawal and employee portability.
- 6) LADWP's participation in the plan will be strictly limited to the negotiated contribution per month per WPERP Tier 2 employee. LADWP will not be responsible for the design or administration of the 401(a) plan. LADWP will not be responsible for administrative fees or other costs, such as penalties for early withdrawal of funds, incurred by the plan or incurred as a cost of employees being members of the plan. IBEW will pay for any administrative or other costs incurred.
- 7) IBEW will indemnify and hold the City harmless from any and all liabilities that may potentially arise from the design of the plan (including the available investment options) and the administration of the plan, or as a result of penalties that individual plan participants may incur.

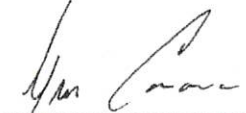

- 8) Department contributions will be deposited into each employee's personal plan accounts and shall be controlled by each employee. Enrolled employees shall maintain full control of their accounts and investments.
- 9) Plan officers or board members employed by the LADWP will not be compensated in any manner to administer the trust or be on the board, including but not limited to drawing a salary or stipend.
- 10) An annual audit will be conducted by the Third-Party Administrator (TPA) as part of the Form 5500 filing. This information is available to the public. Participants will receive quarterly statements as well as daily account values via the internet. The sponsor, IBEW Local 18, will receive monthly general plan level reports from the TPA.
- 11) Contributions shall be made on a retroactive basis looking back one month. An employee's account will be credited \$150 per month if the employee was compensated for at least 80 hours of work hours or work-related time, e.g., vacation, compensated family medical leave active payroll status, as opposed to on an unpaid leave of absence, for the month prior to the contribution.
- 12) LADWP will make no contributions for any employee who is on an unpaid leave of absence from the Department, whether personal or disability/workers compensation leave, that results in the employee being compensated for less than 80 hours in a month.
